

Wharton ISD News – Special Edition

This weekly update will be used to keep our families up-to-date during the COVID-19 school closures. Please continue to follow us on social media for daily updates.

Week of March 23rd

“On-The-Go-Learning” Hotline

Did you know the District is offering a hotline for all parents and students to use if you need help regarding student assignments or other COVID-19 related issues? You can always email the teacher directly or look for information on the District's website or Facebook page, but this hotline is available for parents who might not have that access. We have a hotline worker that will simply take down necessary information and either direct you to the appropriate website or will take a message and make sure the appropriate district official receives it. This hotline is not to provide instruction/tutorial help regarding completing assignments, however, one is being developed. This hotline is simply to take messages and deliver them appropriately.

Wharton ISD
“On-The-Go-Learning” Hotline
979-532-6205

Call in with questions regarding assignments from 8 a.m. - 8 p.m.
Se habla español

 
INDEPENDENT SCHOOL DISTRICT

Grab-N-Go Meals

Reminder Grab-N-Go meals to all students 18 years or younger will be served from 10 am -1 pm at the Wharton High School Cafeteria, Monday, March 23 through Friday, March 27, 2020 and Monday, March 30 through April 3, 2020. Students must be present to receive a meal.

Distance Learning Packets

All packets were distributed at all campuses on Monday, March 23, 2020. If you were unable to pick up your packet, please email your campus administrator. Please stay tuned for further information to come in regards to Distance Learning!

WE ARE HERE FOR YOU

We are here for you. If you have questions or need to have a virtual meeting with a teacher, please do not hesitate to email the teacher to set up an appointment or ask questions. All email addresses can be found under the Teacher tab on the campus homepage.

Let's Make Learning FUN

Looking for some online activities that align with what your children are learning at home? Check out teks.mathgames.com. They have K-8th grade lessons, activities and games. This is a great supplement that is fun for the kids!

Quote for the Week

“It’s easier to build strong children than it is to repair broken adults.”

~Frederick Douglas
