WHS Virtual Learning Instructions

All WHS students will begin the school year participating in synchronous learning for the 2020-2021 school year.
Synchronous learning refers to a learning event in which a group of students are engaging in learning at the same time.

Students will log into their first period class no later than 8:39 am and follow their course schedule at the times listed below. Students need to log into Google Classroom, then join Google Meets for each class period. Students are expected to participate and stay the entire time. At the end of the class period, they will leave that class and will have four minutes until their next class begins. Lunch will be offline from 11:51am-12:21pm. Students will then continue attending class the same way they did before lunch, until the end of the school day at 3:37 pm.

Students are required to be in every scheduled class beginning at 8:39 am - 3:37 pm.

-**Attendance** will be taken daily in TxEIS, as determined through engagement.

-**Grading** will be the same as on-campus learning and outlined in our WISD District Handbook and policy.
