## Visiting for Lunch

The lunch policy says that parents, guardians, and relatives can eat with only their child. We want you to enjoy this special time with your child. Other students can not eat with you for the following reasons:

- potential food allergies
- not sharing food
- other students get upset that they were not chosen
- parents may not want their child to eat different types of food

Ensuring that we are following the expectations, we are aware of this change in previous practices. Thank you for understanding our rationale.

Visitors can not bring cupcakes for the class for lunch., Those will be passed out during the last 15 minutes of school.

---

## Veteran's Day

We appreciate the veterans who were able to attend our special event this past week. We can not express our gratitude for all that you have done for our country. Thank you Ms. Huggins for organizing the special assembly and tribute. Our 5th graders did a super job singing

---

## Saturday School

Thank you to everyone who attended our fun Saturday school. We had so much fun and the kids enjoyed learning together.
