

Wharton ISD – Acceptable Use Policy for Students

System Access

It is the policy of Wharton ISD to: (a) prevent user access over its computer network to, or transmission of, inappropriate material via the internet, electronic mail, or other forms of direct electronic communications; (b) prevent unauthorized access and other unlawful online activities; (c) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and (d) comply with the Children’s Internet Protection Act [Pub. L. No. 106-554 and 47 USC 254(h)].

Online Conduct

1. The individual in whose name a system account is issued will be responsible at all times for its proper use, including securing the password.
2. The system may not be used for illegal purposes, in support of illegal activities, or for any other activity prohibited by District policy.
3. Use for commercial, income-generating or “for-profit” activities, product advertisement, or political lobbying is prohibited by users. Sending unsolicited junk mail, or chain letters is prohibited.
4. System users may not use another person’s system account without written permission from the District coordinator, as appropriate.
5. System users may not install any software, including but not limited to commercial software, shareware, freeware, original software and/or utilities on school computers or networks. **I understand that the use of unauthorized proxy server apps, extensions, sites or VPNs is prohibited on the Wharton Independent School District network and the user is subject to disciplinary action in accordance with District policies.**
6. System users may redistribute copyrighted programs or data only with the written permission of the copyright holder or designee. Such permission must be specified in the document or must be obtained directly from the copyright holder in accordance with applicable copyright laws, District policy, and administrative regulations.
7. Any user who knowingly brings prohibited materials into the school’s electronic environment will be subject to disciplinary action in accordance with District policies.

Technology Etiquette

System users are expected to observe the following etiquette:

1. Be polite; messages typed in capital letters are the computer equivalent of shouting and are considered rude.
2. Use appropriate language; swearing, vulgarity, ethnic or racial slurs, and any other inflammatory language are prohibited.
3. Pretending to be someone else when sending/receiving messages is considered inappropriate.
4. Transmitting obscene messages or pictures is prohibited.
5. Revealing personal addresses or phone numbers of the user or others is prohibited.
6. Any electronic recordings obtained with the device must be for instructional/education purposes ONLY. No recording should be started, shared or used without all individuals being aware of the recording.

Electronic Media Definition

Electronic media includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), electronic forums (chat rooms), video-sharing Websites, editorial comments posted on the Internet, and social network sites. Electronic media also includes all forms of telecommunication, such as landlines, cell phones, and Web-based applications. (Board Policy DH Local-A, page 1)

Vandalism Prohibited

Any malicious attempt to harm or destroy District equipment or materials, data of another user of the District’s system, or any of the agencies or other networks that are connected to the Internet is prohibited. Deliberate attempts to degrade or disrupt system performance may be viewed as violations of District policy and administrative regulations and, possibly, as criminal activity under applicable state and federal laws. This includes, but is not limited to, the uploading or creating of computer viruses. Vandalism will result in the cancellation of system use privileges and will require restitution for costs associated with system restoration, hardware, or software costs.

Forgery Prohibited

Forgery or attempted forgery of electronic messages is prohibited. Attempts to read, delete, copy, or modify the electronic mail of other system users to send/receive electronic mail is prohibited.

Revocation of User Account

The District may suspend or revoke a system user’s access to the District’s system upon violation of District policy and/or administrative regulations regarding acceptable use. Termination of an employee’s account or of a student’s access will be effective on the date the principal or District coordinator receives notice of student withdrawal or of revocation of system privileges, or on a future date if so specified in the notice.

Disclaimer

The District will cooperate fully with local, state, or federal officials in any investigation concerning or relating to misuse of the District’s electronic communications system.
